Hey my lovely people; I'm making a comeback on August 31st and over the time I've been gone I've been experimenting on several different genres since I'm tired of having all my beats be homogeneous. I felt it was necessary to make this announcement because I don't want everyone to think I've 'quit' or anything like that. And also, I'm sincerely grateful to have a community like the one that I just so happen to have; I love you guys so much.
